[www.uc-educate.org](http://www.uc-educate.org)

**EDUCATE!** is a nonprofit foundation established in 1993 with the mission of improving the quality of our children's education by providing supplemental resources to our five University City public schools. During the past 21 years we have granted \$1,600,000 to these schools in the areas of literacy, math, science, technology and the arts. Funds directly support principals, teachers and cluster-wide programs such as the new EdUCate Math Academy and Junior Achievement's BizTown for fifth graders.
